

# CORNELY 15 + 10-6

Combination of two machines to make « jour de Venise »  
ladder stitches on table and bed linen or apparel

Stitchwidths in two operations  
with preparation of fabric with  
thread pulling machine CORNELY 15

“Jour de Venise” is obtained by using in first  
operation Cornely 15 thread pulling machine  
and in second operation Cornely 10-X double  
needle ladder stitching machine.

For larger stitches final embroidery of each  
ladder stitch can be done by hand or by  
small manual embroidery machine.
